Progrexion Holdings – Buy Up
Plan Renewal Date: 01/01/2021

Insured by: Cigna Health and Life Insurance Company

Receiving regular dental care can not only catch minor problems before they become major and expensive to treat - it may even help improve your overall health. Gum disease is increasingly being linked to complications for pre-term birth, heart disease, stroke, diabetes, osteoporosis and other health issues. That's why this dental plan includes **Cigna Dental WellnessPlusSM** features. When you or your family members receive any preventive care service in one plan year, the annual dollar maximum will increase in the following plan year. When you or your family members remain enrolled in the plan and continue to receive preventive care, the annual dollar maximum will increase in the following plan year, until it reaches the level specified below. Please refer to your plan materials for additional information on this plan feature. **Your DPPO plan allows you to see any licensed dentist, but using an in-network dentist may minimize your out-of-pocket expenses.**
